Talaiasi Nau

Tonga Bodybuilding & Fitness Federation (TBBF)

By email: talaiasi_nau@yahoo.com

Subject: Notice from SPBBF

Talaiasi,

The purpose of this letter is to inform you of disciplinary action taken by the SPBBF following a motion adopted at the 2016 SPBBF Congress held on the 28th October 2016 in the Mayoral Chambers of the city of Punaauia, Tahiti.

The SPBBF considers you violated the SPBBF constitution and its code of ethics. We also consider your actions; by affiliating to the IFBB and using misinformation to encourage member countries of the SPBBF to affiliate to the IFBB (on the basis the IFBB would be managing the 2019 Pacific Games), both reckless and selfish.

The SPBBF is very proud of its affiliation to the Pacific Games Council (PGC) and we ably represent the World Bodybuilding & Physique Sports Federation (WBPF), as the continental federation for our sport which is in good standing with the Pacific Games Council.

Talaiasi, you have shown little regard for the needs and rights of the many good officials and athletes of member federations throughout the Pacific (who together represent the SPBBF), furthermore you have disadvantaged Tongan athletes and officials.

We draw attention to your appointment by the 2015 SPBBF Congress to the esteemed position of SPBBF executive vice president.

Essentially you were entrusted with this appointment (in advance of responsibilities related to the 2019 Pacific Games), yet your actions have been unbecoming of an executive member of the SPBBF and you have brought dishonour to the SPBBF.

Because you held a title on the SPBBF executive committee, it is necessary to formalise and record your expulsion from the SPBBF.

Talaiasi, your expulsion from the appointed position of SPBBF Executive Vice President (and member of the SPBBF) has been recorded in accordance with Article 33 of the SPBBF Constitution as of the 2016 SPBBF Congress held on the 28th October 2016 in Tahiti.

Whilst the Tonga Bodybuilding & Fitness Federation (TBBF) was not a current financial member of the SPBBF, given you are the primary officer (President) of the Tonga Bodybuilding & Fitness Federation (TBBF), the SPBBF DOES NOT recognise the TBBF, nor any other officers affiliated to this entity.

The SPBBF will be informing related parties about the disciplinary measures taken against you, subsequent to the 2016 SPBBF Congress.

Roland Chodey
Secretary General
